Mr, Wm, Creighton of this city has consulted me in regard to the advisability of doing homestead duties, in the North country,

Going over his past and present condition, I have most strongly advised against the risk, which is twofold with him, (1), A progressive disease of both eyes crippples him from the standpoint of getting about with safety,

(2), An old chest lesion which at his age, if exposed to weather extremes could easily be fanned into a serious chest complication,

I have the honour to inform you, in reference to the marginal noted subject, that this Application, which was recommended by my Assistant, Mr. R. Cruikshank in July 1914, and returned to this office instructing me to have Mr. Creighton crop 20 acres and I am returning it to you together with a supplementary statement from Mr. Creighton as two Doctor's certificates in support of his claim that he is unable to further comply with his duties in connection with cropping and residence.

I am submitting the case for your consideration, as from the enquiries I have made I would consider this a very worthy claim.

Ottawa, 17th September, 1915.

Memorandum:

Mr. Hume.

E. ½ of 23--75--15--W. 5th M.
S. A. V. S., William Creighton.
Date of entry, 26th June, 1911.

Mr. Creighton made application for patent, claiming residence and improvements as set out on Form #58.

You will note on looking at said Form that cultivation was only claimed in two years, and the homesteader was requested to seed twenty acres and execute a supplementary statement.

There was some error in connection with the application for patent, and the same was returned to the Agent for correction.

Mr. Creighton now files a supplementary statement claiming no land placed in crop this season, so the land has only been cropped in two years. This supplementary statement is not witnessed.

According to declarations made by the homesteader in November, 1912, and March, 1913, he claimed different residence than what is claimed in the application for patent. (See residence marked in red ink on Form #58.)

The Agent in forwarding this supplementary statement forwards two medical certificates, one claiming that he is not in a position to go on his homestead, and strongly advising not to do so.

The other certificate states that Mr. Creighton has been under the doctor's care at intervals since September, 1913, suffering from a disease of both eyes, and at present he can only see with the aid of a very strong lens and he has advised him (the homesteader) to

remain

remain in the city and live a quiet life.

If Mr. Creighton's statements as made in March, 1913, and November, 1914, are correct, he is short in residence, but on account of his health, the Department might decide to accept the residence as satisfactory, but I think he should arrange to have the necessary cultivation done.

S.A.V.S. William Creighton.

Mr. Creighton's supplementary statement does not advance his case in any way.

It would appear from representations made to this office that in 1913 he broke thirty acres, ten of which was put in crop, and that in 1914 the whole thirty acres was put in crop.

It seems that the land is very wet and that the crop was ruined. The land was then seeded down to timothy hay.

This is not set forth in the supplementary statement, and Mr. Creighton has been asked to appear before the Agent at Edmonton and make a fresh supplementary statement, giving full particulars as to the cultivation duties performed on his homestead each year.

When this has been received, kindly have the case referred to this office.

Your Reference 1028

I beg to draw your attention to my letter of the 18th March, 1916, calling upon you to advise Mr. Creighton that he will require to crop not less than 20 acres this season and execute a supplementary statement.

This case has been further considered and in view of representations made to the Department that in 1913 Mr. Creighton broke 30 acres of which he cropped 10 and in 1914 cropped the whole 30 acres, and in addition to this in 1914 after he took the grain off the land was seeded to timothy, it has been decided to accept the cultivation duties as satisfactory, so it will not be necessary for Mr. Creighton to [illegible] supplementary statement as requested.

N.W.¼ 1-10-12-W.4th M. formerly reserved for the H.B.Co.

The Deputy Minister's Office has referred here a letter from the Hudson's Bay Company stating that the Company has received an application to purchase the above land and asking that it be replaced on the list of lands reserved for the Company in connection with the settlement of its land account.

This parcel was included in the list of lands placed at the disposal of the Soldier Settlement Board some years ago under the authority of the Order-in-Council of the 30th October, 1918.

In November 1923 the Soldier Settlement Board reported that this, and certain other parcels similarly placed at the disposal of the Board, were still unsold.

This office has received no further instructions regarding the disposal of lands in this position. The matter was submitted to your office on the 5th June last on File 330432 No.7.

Answer: I am a single man, living on my homestead and trying to the best of my ability to break it up and improve it. Am alleged to roam out for other people and do some trapping to support myself. But my home when not doing so is on the homestead and I will break the ten acres required by the Department as soon as possible.

Sir,-

N.W. ¼ Sec. 2 Tp. 69 Rge. 20 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Memorandum:-

I beg to return the Hon. Walter Scott's letter of the 20th instant, respecting the claim of Mr. F. A. Marr, of Saskatoon, for Military Bounty for his services in connection with the Rebellion of 1885.

Mr. Marr submitted evidence in 1900, at Prince Albert, before Mr. Samuel McLeod and myself, who were joint Commissioners to investigate the claims of scouts and other persons, and according to evidence submitted in this case, Mr. Marr was a member of the Saskatoon Home Guard; after the troops had arrived at Clark's Crossing he was engaged as scout to transport service, for which he was paid; also carried a dispatch from Captain Dennis to General Middleton at Fish Creek; this case and similar cases were at the time transferred to the Department of Militia & Defence; but the records of this Department do not show how the claims were disposed of.

Mr. Scott's letter should, therefore, I think, be referred to the Department of Militia & Defence for report.

I may add that there does not appear to be any authority at present under which any of these claims could now be dealt with, as the time for locating Military Warrants of 1885 has expired.

Respectfully submitted,

The matter was submitted to the Department of Militia & Defence, and I beg to call your attention to Col. Department of the Interior.

Referring to the Memorandum addressed by the Chief of the Branch to Lieut.-Colonel Smith, Department of Militia, on 30th January, ultimo, on the subject of the application of Frank A. Marr for Military Bounty in connection with the Rebellion of 1885, it has to be said that in 1902 many claims for land grants, including that of Frank Alexander Marr, of Prince Albert, and other persons who claimed, as he did, to have been members of the Saskatoon Home Guard, were referred to the Department of Justice, and that on 7th February, 1903, the Deputy Minister of Justice transmitted to the Militia Department his opinion on those claims. Mr. Marr, it must be observed, claimed not only as a member of the Saskatoon Home Guard but that he "Was engaged as scout to transport service for which he was paid, also carried a despatch from Captain Dennis to General Middleton, at Fish Creek." As respects that claim, the Deputy Minister of Justice said that Mr. Marr "Is entitled as scout if at all." At the same time, he refers the reader to a report in another case in which he said "Military authorities should consider whether services detailed in claimant's deposition are those of a scout within the meaning of the Act. If not there is no right to bounty if so and the services were rendered in connection with the Military Force as distinguished from the Mounted

232505

Police and are certified to by competent military authority he should receive Scrip."

The Military Authorities of that day do not appear to have considered that Mr.Marr's services came within the meaning of the Act of 1885,Chapter 29,that is,that he was a "Scout actively engaged during the said outbreak whose services have been certified to by competent authority",and,in view of the evidence on file,the Military Authorities of the present time are of the same opinion.

Dear Sir —

I am writing re some seed grain that the Department furnished to the settlers this spring. I was one of the settlers who received some of this grain and regret to say that the quality was far from being satisfactory for seed purposes. I sowed (120) bushels of wheat from the Government on A. E. W. holdings, and also on my own homestead. It was put into ground that was fall plowed and which was in excellent condition. The result after sowing was very poor. About 1/3 out of the crop came up. The field was in such

this condition that it did not warrant a crop and I had to re-sow the whole crop again. We have no cut worms here and the fault lies in the wheat which had such poor germinating quality; such weak vitality that many settlers have found to their sorrow that their crop is a failure and the season the best that Alberta has ever experienced.

My wheat only tested about 84% and there was so little vitality in it that the regulation treatment of formaldehyde retarded its growth so that the seed just rotted in the ground and in many cases failed to sprout. What did grow, is thin weak and puny. When a farmer pays $1.20 for seed grain he should get excellent quality not 50% test. I am not a kicker so to speak but in this case I was when I farm as playing such an important part in feeding this nation he should get the best of attention

Yours truly,
E. Ewing

[illegible]

[illegible]

July [illegible]

Sir:

Owing to the vast amount of work entailed in connection with receiving and checking thresher returns for Seed Grain Distribution it has been impossible up to the present time to give the attention to the matter of complaints which its importance would demand. This matter is now being taken up and will be dealt with in the near future.

This Department has made every effort possible to supply farmers with the very best quality of Grain obtainable and have exercised every precaution to guard against inferior grain being distributed.

I might say that it will be necessary, in each case, for complainants to furnish me with a sworn declaration setting forth the exact nature of their complaint. If you will give your attention to this matter it will facilitate the work in making final adjustment.

This man received 60 bushels of wheat and claims a loss of 15% in germination. He states that his land was in perfect condition and that the fault must have been in the seed. This is not supported by statutory declarations and crop reports from farmers receiving grain from the same car stating that the average is 25 bushels to the acre, therefore no further action has been taken.

Re Grain:

Mr. Robertson

re C. [illegible] Spalding, Milk River, Alta.

This man received 60 bushels of wheat and claims a loss of 10% in germination. He states that his land was in perfect condition and that the fault must have been in the seed. This is not supported by statutory declaration and crop reports from farmers receiving grain from the same car state that the average is 25 bushels to the acre, therefore no further action has been taken.

Sir,-

SW. ¼ Sec. 28 Tp. 54 Rge. 9 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness

Sir,

W. .19-44-1- .4th Mer.

I beg to acknowledge receipt of your letter of the 16th ultimo, regarding your desire to be furnished with the required authority for you to make second homestead entry.

In reply I may say that in response to your telegram dated the 28th July,1928, the necessary authority was sent to you at Grande Prairie, Alberta, on the 30th of the same month.

It also appears that on the 13th December last you were informed by departmental letter that if you had lost the telegram, it would be in your interest to advise the Department accordingly when your application would be further considered.

You have failed to inform the Department in this connection.

It is assumed, however, that you have lost the telegram and under the circumstances it has been decided to issue you with a fresh letter of authority and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter-section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

In case the telegram which has been referred to turns up at a later date, you will be expected to return the same to the Department immediately.

He was naturalized on the 28th of March, 1914.

This man gave as his Country of Birth United States, Subdivision of Country of Birth, North Dakota, and the last place of residence, Medford, North Dakota. At the time he received his Patent he was residing at Elk Point, Alberta.

Sir,

On October 26th of last year this Department recommended to you that the title to a parcel of land at or near a point 15[illegible] rods west of the S. W. corner of the Section 25 56 14 West of the 4th meridian be issued to the Board of Trustees of the Pella S.D.No. 2750. It would appear, however, that there was some confusion in the matter of approval of the site and on January 3rd. the above-mentioned location was cancelled and a new site approved at the S.E. corner of the S. W. quarter of Section 25-56-14 West of the 4th meridian.

As I understand the Board is now making arrangements to acquire the title to the necessary land at this point I would recommend that the patent be issued in regular way by your Department.

FRESNO, California,

Dear Sir:-

ATTENTION: Mr. Paul Wofford,

Re: HAMILTON, Noah & Mandy,
Your file Fr. 2637.As.

I have your letter of the 15th April 1953, relative to your enquiry as to the Citizenship of the above named.

In reply, I wish to inform you that one Noah Henderson Hamilton applied for homestead entry on the 19th January 1911, at Edmonton, Alberta, for the Northeast quarter of Section Twenty-one, Township Fifty-nine, Range Twenty, West of the Fourth Meridian, in the Province of Alberta. This man gave as his Country of Birth, United States of America; Subdivision of Country of Birth, North Carolina. His family consisted of his wife and eight children.

The said Noah Henderson Hamilton in his sworn statement dated the 23rd July 1914 in support of his application for patent, which was issued in his name on the 2nd November 1914, he gave his age as 45 years; he was naturalized on the 27th June 1914.

Under Our Laws, an applicant for a Patent had to become a Canadian Citizen, his wife automatically became a Canadian Citizen at the time of the issue of the Naturalization Certificate, and any of the children under the age of Twenty-one years who were in residence with their parents in Canada at the time of the issue of the said Certificate.

Yours very truly,

Re: [illegible], Noah & Gandy
[illegible] 37 A

Dear Sir:

We are attempting to establish the citizenship status of Getaman Gandy Hamilton for purposes of Old Age Security benefits in the State of California. Mrs. Hamilton does not know whether she is a citizen of Canada or of the United States, and we are in hopes that you may have some information that will help clarify her status.

Mrs. Hamilton was born in Rutherfordton, North Carolina, United States of America, on November 13, 1874. Her husband, Noah Henderson Hamilton, was also born in Rutherfordton on January 26, 1869. On May 23, 1891, Mr. and Mrs. Hamilton were married in Rutherfordton, and prior to May, 1911 they went to Alberta, Canada to live. Mr. Hamilton applied for a patent to homestead, and which was subsequently issued to him on November 2, 1914. Couples' address at this time was Medway Centre, Alberta.

Mr. Hamilton's patent was for the NE¼ of Section 21 in Township 59, Range 20, West of the 4th Meridian and was filed with Department of the Interior under No. 233c125.

In 1919, Mr. Hamilton sold this land and couple returned to the United States and have lived here continuously since that time. Mr. Hamilton was later told by someone that he was a citizen of Canada so he took out U. S. Naturalization papers. Mr. Hamilton received his final papers on June 11, 1936. As Mrs. Hamilton could neither read nor write she was unable to take out naturalization papers of her own.

April 15, 1943

Mr. Hamilton is not sure whether he actually became a citizen of Canada or remained a United States citizen. Mrs. Hamilton is very positive that she did not take out Canadian citizenship papers for herself.

We would appreciate any information you may have regarding Mr. and Mrs. Hamilton's citizenship. At that time, was it necessary, under Canadian Law to be a citizen in order to homestead? Also, if Mr. Hamilton did become a Canadian Citizen, would this have impaired Mrs. Hamilton's United States citizenship?

We thank you for your cooperation in this matter and any information you may be able to supply.

Very truly yours,

Re Mill site Phoenix Lumber Company.

Legal S.E.¼ of Sec.10-T.32-Rge.6 W.5th M.

Replying to your memorandum of the 3rd October last, herewith, I beg to state that the report asked for has been received.

Under date of the 14th December last, Homestead Inspector P. L. Grease states that

"On legal sub-divisions 1 and 2 there is
"not any improvements. On sub-division 1 of
"section 10, there is a frame house and stable and
"125 saw logs which have been lying there two years,
"and are now unfit for lumber. There is not any
"mill but it is I am told the only mill site on
"the Saskatchewan above [illegible], and it is a good
"one."

The Phoenix Lumber Company (of which Mr. Theo. A. Burrows is President) was given permission on the 2nd December, 1913, to purchase, for mill site purposes at $10.00 an acre, the above described land containing 90 acres, it being understood that the Company would only have to pay for the area actually required for the mill site as shown by a survey to be made at the Company's expense under instructions to be forwarded to the Saskatoon Agency.

Memorandum:

Re the application of A.Finlayson to purchase the portion shown on the plan of survey as covered by water, in the S.W.¼ 17-46-16,W. 4th M.

The applicant has furnished the Department with a statutory declaration to the effect that the land above referred to has become wholly and permanently dry. He has also produced a duplicate certificate of title, bearing date the 4th March last, showing him to be the owner of the balance of this quarter section, which land, I might say, was, according to the records of this Branch, patented on the 19th June, 1901, to the Canadian Pacific Railway Company.

The Homestead Inspector, on the 31st May last, reported as follows, concerning the quarter section in question:-

"This land has all been dry for some years and has been cut for hay.

I am of the opinion it has become permanently dry."

There would appear to be no objection to granting this application, the sale to be made at the current rate of $ .00 per acre and upon the usual terms of payment.

The duplicate certificate of title above referred to should, I think, be returned to Mr.Finlayson.

Respectfully submitted,

Sir:

Re sale 10761, that behalf.

At the time of this sale the area of the quarter section was 160 acres. At one time the quarter section was partly covered by water; 110 acres of land was patented to the Canadian Pacific Railway Company. Mr. Finlayson was allowed to purchase the balance of the quarter section which had become dry, which would mean 51 acres. The latest plan of the township shows that the quarter section contains 161. acres. He has paid for 51 acres, should he pay for 51?

of Joshua J. Gosnell,
frac. N.E.¼ Section 19, Township 39, Range 8, west of the 5th. Meridian, lying north of Saskatchewan River, containing 75.90 acres, shewn on sketch attached, bordered green.

I beg to submit for consideration and decision the application above referred to. The land applied for is available according to the records of the Department and the applicant. According to a report received from the Timber and Grazing Branch, a permit to cut timber on the land applied for has been issued to the contractor for the Can. Northern Railway Co.; otherwise the land is clear.

The applicant has granted homestead entry in January last for the adjoining N.E.¼ of section 24, shown outlined in pink on the sketch, which comprises 160 acres.

Commissioner
of Dominion Lands.

Department of the Interior,

D.F. LAND PATENTS BRANCH, D.L.F. 234[illegible]97.

Ottawa, 1st February, 191[illegible].

Memorandum:-

Frac. N.E.¼ 19, lying North of River. 30, 8, W. 5th M., containing 75.9. acres, shown outlined in green on attached sketch, vacant in records.

Frac. N.W.¼ [illegible], lying North of River, of said Township, containing 35.6 acres, outlined in black on sketch, vacant.

Mr. Joshua J. Gosnell, who holds homestead entry dated the 26th January, 191[illegible], for the adjoining S.E.¼ of Section 30, (coloured pink on sketch) applied to purchase the said fractional N.E.¼ of Section 19, in February last. The Homestead Inspector has recently reported as follows in regard to this application:-

"This fraction is all river bottom, sandy loam "with gravel subsoil. I would say the out- "side value would be $2.00 per acre and would "say by all means sell it to Mr. Gosnell if "he wants it."

Mr. Steel Coverdale writes the Department requesting that he be permitted to make homestead entry for the portion applied for by Mr. Gosnell, as well as the fractional N.W.¼ of Section 30, lying North of the River, above mentioned. Referring to Mr. Gosnell's application, he states :-

"If you prefer to see two settlers in there instead "of one, I hope you will see your way clear to let "me homestead it instead of Gosnell purchasing it."

MINISTER LANDS
RECEIVED
APR 9 1913

In the Matter of the North East quarter of Section 9
Township 34 Range 8 West of the 5th Meridian

I, Thomas Buston Forster
of Vancouver Province of British Columbia
do solemnly declare:—

That I made entry for the above-mentioned land as a Soldier's Grant 20688609
at the Dominion Lands Office at Red Deer Alta
the first day of June 1910,
and I now ask to have said entry cancelled for the following reasons, namely:—

(Here state reasons) The ill-health of my wife, & not being able to get an extension of time off the homestead.

(Here state nature and extent of work done and time when performed.) Went on homestead in May 1910 & resided all summer & winter till June 1911—
from June August till October
from March 20th - June 1st 1912.

(Here describe the improvements and state value thereof, quantity of breaking and cultivation each year.) 1 log house 18ft x 22ft-6 Inside measurement
Shingled & 3000 ft. of lumber - hauled from Red Deer & Innisfail - value of house - $75-0-
Stable & lift - sod roof - 24x24 - $25-0
10 acres broke & fenced - 10
35 acres fenced with 2 wire - 5-0
Hen-house & corrals & clearing $11 20 - 45-

(Here state if intention to enter for other land.)

That I have not received, directly or indirectly, nor have I been promised, nor do I expect to receive any consideration of any kind for allowing said entry to be cancelled.

And I make this solemn declaration conscientiously believing it to be true, and knowing that it is of the same force and effect as if made under oath and by virtue of the Canada Evidence Act.

A Commissioner for Oaths in and for the Province of British Columbia.

(Agent, if any, to state his connection with claimant.)

I may state that when the improvements are valued the fact that the lumber, shingles & doors &c for the house were freighted in at great expense from Red Deer & Innisfail & my expenses alone on the road cost me $500. The roads were practically impassible & the expense of living on the road was very high. Besides the expenses on the road, I have been taken into account my wages & the board wages etc which would bring the total up considerably. I also paid out in wages on the house $90 in cash

very truly yours

Form No. 7.

To The Honourable

The Governor General in Council:

The Petition of Henry Franz

Humbly sheweth:-

That through an error in a certain survey of Township 8, Range 1, west of the Fifth Meridian made by the Surveyor General of Dominion Lands and dated the 24th. of August,1898, he has suffered direct pecuniary loss in the sum of $4710.07 under the following circumstances:

On the 27th. day of February, 1909, one Peter C. Hanson, now of Cowley, agreed to sell to Henry Franz certain land described as follows:

" All that portion of section three (3) Township eight (8) Range one (1) west of the Fifth (5) Principal Meridian, lying west of the river, said land containing two hundred and seventy one (271) acres and being located in Alberta, Canada."

On the 15th. of November, 1909, a transfer of the lands was delivered to the said Henry Franz and a certificate of title issued to him from the Provincial Land Titles Office at Calgary on the 1st. day of December, 1909.

Subsequent to the issue of the title your Petitioner became doubtful as to whether the land contained as much as 271 acres. Inquiries were made and he ascertained that the piece of land lying west of the Old Man River contained 164.86 acres only or a deficiency of 106.14.

On the 1st. day of November, 1912, action was commenced in the Supreme court of Alberta by your Petitioner against the said Peter C. Hanson as defendant for damages for the deficiency. The said defendant delayed delivery of his defence until the 14th. day of October, 1916. During the interval efforts were being made for some satisfactory adjustment between the parties.

No settlement having been arrived at the case came to trial. Judgment went against your Petitioner on the main ground that after conveyance and the issue of title damages for deficiency of acreage cannot be awarded in any case.

On appeal to the Supreme Court of Alberta, Appellate Division, this judgment was reversed with one Judge dissenting, and damages awarded your Petitioner of $1372.10 and costs. (See Western Weekly Reports, 1917, Vol. 3, page 77.) The dissenting judge, although disagreeing on the legal point involved, expressed his pleasure that the majority of the Court had found a remedy for an admitted injury.

On appeal to the Supreme Court of Canada, the judgment of the Supreme Court of Alberta, Appellate Division, was reversed and the judgment of the trial Judge restored, two of the learned Justices dissenting. See Western Weekly Reports, 1919, Vol. 3, Page 40.

Further application was then made by your Petitioner to His Majesty in His Privy Council for leave to appeal.

This leave was refused with an intimation that the amount involved was too small.

Thus as the matter stands five judges have said your Petitioner was entitled to damages after conveyance and five have held the contrary.

As appears from an abstract attached hereto Section 3 was deeded to the Calgary and Edmonton Railway Company by the Crown. Your Petitioner, however, cannot obtain redress from the Company as there is no privity of contract between us, nor could Peter C. Hanson have obtained redress from them as third parties Under the decision of the Supreme Court of Canada he having registered his own title would have been too late in seeking damages.

All parties and the learned Judges admit the great hardship inflicted upon your Petitioner who is left, although blameless, without redress.

Inasmuch as the wrong survey by the Dominion was the cause of the trouble your Petitioner Humbly Prays that a money grant may be made by the Parliament of the Dominion of Canada at its next Session on the recommendation of Your Honourable Council to reimburse your Petitioner in an amount as set forth in Schedule A attached hereto.

AND AS IN DUTY BOUND THE PETITIONER WILL EVER PRAY.

DATED at Calgary, in the Province of Alberta, this [illegible] day of January, 1913.

MEMORANDUM:-

Referring to your memorandum dated 4th March - section 3, township 8, range 1, west of the fifth Meridian, was surveyed and the Oldman River traversed by C. E. Wolff, D.L.S., in 1883.

Owing to a complaint by Henry Franz, the purchaser of that part of the section lying west of Oldman River, that his land contained over one hundred acres less than he had paid for, a re-survey of the westerly part of the section and a re-traverse of the river was made during the past season by J. L. Lang, D.L.S.

Mr. Lang's returns show the area lying west of the river in section 3 to be 164.8 acres instead of 283.8 acres as given by the previous survey. As the original subdivider shows Oldman river running through banks about one hundred feet high it would appear that the river has not changed its course but that large errors have been made by him in traversing. A sketch is enclosed showing the areas as calculated from Mr. Lang's survey.

Dear Sir,

Re S.½ S-6-1 1.5th M.
West of river.

I beg to acknowledge yours of the 26th ultimo, saying that the Registrar of South Alberta had informed you that the patent to the above described land had not been issued to the Calgary and Edmonton Land Company for reason that our Department was withholding the issue until it was asked for by the Company.

In reply I may say that this information is apparently not correct as we have no further interest in these lands, as the patent together with others covering grants to the Calgary and Edmonton Land Company was duly forwarded to the Registrar at Calgary and received by him on the 23rd January, 1908, for which the Department holds his receipt No. 52535. If a Duplicate Certificate of Title has not issued to the Company, the matter is one which rests entirely between the Registrar and the Company.

Yours very truly,

Re Sec. 5--8--1--5th Mer.

In reply to your letter of the 16th ultimo I beg to inform you that a retraverse of Oldman River in the above mentioned section was made during the fall season of 1910 and it was found that the part of the section lying east of river actually contained 164.60 acres, while the land in the section lying east of river comprised 459.4 acres.

In reply I may say that a statement of this case is being prepared for the Deputy Minister's attention and will be submitted to him immediately upon his return to the city. I expect he will be back in about two weeks, and that Sir James Lougheed, our new Minister, will be here about the same time.

MEMORANDUM

I beg to return your reference No. 2153 respecting section 3-8-1-W.5th meridian.

The matter of the survey of this land was reported on fully by the Surveyor General in his memorandum addressed to you bearing date the 31st October last, copy of which is attached. As you will observe, you advised Mr. J.M. Brownlee, General Manager of the United Grain Growers Securities Company, Limited, of Winnipeg, in your letter to him of the 13th November last that under the circumstances it did not appear that the Department could intervene in this matter.

You will note that it is suggested that some amends be made to Mr. Franz by permitting his son to acquire a homestead up north free of homestead duties. I am not aware of any provision under which such a concession might be granted. However, under the regulations either Mr. Franz or his son might be allowed to purchase a quarter section of land at a Homestead Inspector's valuation.

Respectfully submitted,

[signature]

Acting Controller.

J. Cory, Esq., C.M.G.,
Deputy Minister of the Interior.

to the Calgary and Edmonton Land Company was not deficient.

Mr. Tweedie, M.P. has interested himself in behalf of Mr. Frans, and attached hereunder is a copy of a memorandum which Mr. Cory addressed to him on the 23rd ultimo.

Mr. Tweedie now submits a memorandum prepared for him by Mr. Kennis, and asks if there is not some way in which Mr. Frans could be compensated.

It is suggested that we permit Mr. Franz' son to acquire a homestead up north free of homestead duties. There is no provision in the Regulations whereby this could be done, but in order to make amends, we might give Mr. Frans or his son authority to purchase a quarter section at $3 per acre.

Respectfully submitted,

Deputy Minister.

Form No. 7.

To The Honourable

The Governor General in Council:

The Petition of Henry Franz

Humbly sheweth:-

That through an error in a certain Survey of Township 8, Range 1, west of the Fifth Meridian made by the Surveyor General of Dominion Lands and dated the 24th. of August,1898, he has suffered direct pecuniary loss in the sum of $4710.07 under the following circumstances:

On the 27th. day of February, 1909, one Peter C. Hanson, now of Cowley, agreed to sell to Henry Franz certain land described as follows:

" All that portion of section three (3) Township eight (8) Range one (1) west of the Fifth (5) Principal Meridian, lying west of the river, said land containing two hundred and seventy one (271) acres and being located in Alberta, Canada."

On the 15th. of November, 1909, a transfer of the lands was delivered to the said Henry Franz and a certificate of title issued to him from the Provincial Land Titles Office at Calgary on the 1st. day of December, 1909.

Subsequent to the issue of the title your Petitioner became doubtful as to whether the land contained as much as 271 acres. Inquiries were made and he ascertained that the piece of land lying west of the Old Man River contained 164.86 acres only or a deficiency of 106.14.

On the 1st. day of November, 1912, action was commenced in the Supreme court of Alberta by your Petitioner against the said Peter C. Hanson as defendant for damages for the deficiency. The said defendant delayed delivery of his defence until the 14th. day of October, 1916. During the interval efforts were being made for some satisfactory adjustment between the parties.

No settlement having been arrived at the case came to trial. Judgment went against your Petitioner on the main ground that after conveyance and the issue of title damages for deficiency of acreage cannot be awarded in any case.

On appeal to the Supreme Court of Alberta, Appellate Division, this judgment was reversed with one Judge dissenting, and damages awarded your Petitioner of $1372.10 and costs. (See Western Weekly Reports, 1917, Vol. 3, page 77.) The dissenting Judge, although disagreeing on the legal point involved, expressed his pleasure that the majority of the Court had found a remedy for an admitted injury.

On appeal to the Supreme Court of Canada, the Judgment of the Supreme Court of Alberta, Appellate Division, was reversed and the judgment of the trial Judge restored, two of the learned Justices dissenting. See Western Weekly Reports, 1918, Vol. 2, Page 40.

Petial application was then made by your Petitioner to His Majesty in His Privy Council for leave to appeal.

This leave was refused with an intimation that the amount involved was too small.

Thus as the matter stands five judges have said your Petitioner was entitled to damages after conveyance and five have held the contrary.

As appears from an abstract attached hereto Section 3 was deeded to the Calgary and Edmonton Railway Company by the Crown. Your Petitioner, however, cannot obtain redress from the Company as there is no privity of contract between us, nor could Peter C. Hanson have obtained redress from them as third parties Under the decision of the Supreme Court of Canada he having registered his own title would have been too late in seeking damages.

All parties and the learned Judges admit the great hardship inflicted upon your Petitioner who is left, although blameless, without redress.

Inasmuch as the wrong survey by the Dominion was the cause of the trouble your Petitioner Humbly Prays that a money grant may be made by the Parliament of the Dominion of Canada at its next Session on the recommendation of Your Honourable Council to reimburse your Petitioner in an amount as set forth in Schedule A attached hereto.

AND AS IN DUTY BOUND YOUR PETITIONER WILL EVER PRAY.

DATED at Calgary, in the Province of Alberta, this [illegible] day of January, 1918.

MEMORANDUM:-

Referring to your memorandum dated 4th March - section 3, township 6, range 1, west of the fifth Meridian, was surveyed and the Oldman River traversed by C. E. Wolff, D.L.S., in 1883.

Owing to a complaint by Henry Franz, the purchaser of that part of the section lying west of Oldman River, that his land contained over one hundred acres less than he had paid for, a re-survey of the westerly part of the section and a re-traverse of the river was made during the past season by J. L. Lang, D.L.S.

Mr. Lang's returns show the area lying west of the river in section 3 to be 164.8 acres instead of 283.8 acres as given by the previous survey. As the original subdivider shows Oldman river running through banks about one hundred feet high it would appear that the river has not changed its course but that large errors have been made by him in tra-

E.J. versing. A sketch is enclosed showing the areas as calculated from Mr. Lang's survey.

Dear Sir,

Re S.½ 3-6-1 W.5th M.
West of river.

I beg to acknowledge yours of the 28th ultimo, saying that the Registrar of South Alberta had informed you that the patent to the above described land had not been issued to the Calgary and Edmonton Land Company for reason that our Department was withholding the issue until it was asked for by the Company.

In reply I may say that this information is apparently not correct as we have no further interest in these lands, as the patent together with others covering grants to the Calgary and Edmonton Land Company was duly forwarded to the Registrar at Calgary and received by him on the 22nd January, 1902, for which the Department holds his receipt No. 52635. If a Duplicate Certificate of Title has not issued to the Company, the matter is one which rests entirely between the Registrar and the Company.

Yours very truly,

S½ & NW¼ 3-9-1-W.5th M.

These lands were patented to the Calgary and Edmonton Land Company on the 12th December, 1901.

According to plan of survey, approved the 24th August 1898, as shown on the attached sketch (a), the Company sold the lands to the west of the river, to Peter Hansen, who transferred his interest to Henry Franz.

Owing to a complaint by Mr. Franz, a re-survey of the westerly part of the section and a re-traverse of the river was made by a Dominion Lands Surveyor in the latter part of the year 1910.

No new plan of this re-survey was ever published, nor was the survey confirmed but the situation of affairs is indicated on Sketch (b), which shows the area west of the river to be 164.80 acres, whereas the area, according to the plan on which the patent to the Company was issued, was 271 acres, a difference of 106.20 acres.

Owing to the mistake in the survey, there has been considerable litigation, but the area patented

Mr. Brennan.

The Minister has reviewed the attached case and is of the opinion that we would not be justified in granting Mr. Franz a homestead free of duties in lieu of the lack of acreage in his present holdings. In fact when Mr. Franz made this purchase he should have assured himself that the area of land was what was represented to him.
